Comprehensive volume of international research on the European reception of Oscar Wilde.

Winner of both the National Book Critics Circle Award and the Pulitzer Prize, Oscar Wilde is the definitive biography of the tortured poet and playwright and the last book by renowned biographer and literary critic Richard Ellmann. Ellmann dedicated two decades to the research and writing of this biography, resulting in a complex and richly detailed portrait of Oscar Wilde. Ellman captures the wit, creativity, and charm of the psychologically and sexually complicated writer, as well as the darker aspects of his personality and life. Covering everything from Wilde's rise as a young literary talent to his eventual imprisonment and death in exile with exquisite detail, Ellmann's fascinating account of Wilde's life and work is a resounding triumph.

"In the second half of Bashford's book, he looks at Wilde's criticism as an expression of humanism."--BOOK JACKET.

Il est des auteurs dont on ne parvient pas à dire qu'ils ont surtout écrit " pour les enfants " ou " pour les adultes ". Ce sont en général les meilleurs, et Oscar Wilde fait partie des tout premiers. Dans ces contes, grâce à son écriture sensible, sa lucidité reste drapée sous le rêve. C'est ce qu'a magistralement compris l'illustratrice Renàta Fucifkovà, dont les exceptionnels dessins se situent toujours aux frontières de la réalité. Cette œuvre particulièrement accessible démontre encore une fois, s'il en était toujours besoin, que la littérature pour la jeunesse est tout le contraire d'une " sous-littérature. "

When he was just a skinny, shy kid riding his skateboard through the streets of the East Los Angeles barrio, Oscar De La Hoya never thought he would one day be one of the world's premier boxers, setting records and winning championships. This title presents the story of a young boy with a dream and the perseverance to make it a reality.
