First there was Banished, then there was Vowed and now we have the final book in the Blackhart Legacy, Judged. The action picks up not long after the events at the end of Vowed. Kit and her friends are still trying to unpick the clues that will expose who is behind the escalating Fae related crimes that have escalated in London and across the globe.

"Guaranteed to keep you on the edge of your seat from start to finish"
Guardian
Banished is Book One in this stunning coming-of-age adventure - where one girl takes on a mission to banish evil and hold back the night ... Kit is proud to be a Blackhart, now she's finally encountered her unorthodox cousins and their strange lives. And her home-schooling now includes spells, fighting enemy fae and using ancient weapons. But it's not until she rescues a rather handsome fae prince, fighting for his life on the edge of Blackhart Manor, that her training really kicks in. With her family away on various missions, Kit must protect Prince Thorn, rely on new friends and use her own unfamiliar magic to stay ahead of Thorn's enemies. As things go from bad to apocalyptic, fae battle fae in a war that threatens to spill into the human world. Then Kit pits herself against the Elder Gods themselves - it's that or lose everyone she's learnt to love.

Kit's job description includes solving crimes - the supernatural kind ... Glow, a fae-created drug, is rapidly going viral and the suppliers have to be shut down. Teaming up with Aidan and Dante, Kit follows leads across London, tracking down dealers. They stir up trouble, making themselves a target for the gang they're trying to stop. In the Otherwhere, Thorn stumbles across a secret that could destroy both the human and Fae worlds. The Veil that separates our human world from the fae realms is weakening and the goddess is dying. And if she dies and the Veil fails, madness and chaos will wreak unstoppable havoc upon both lands. Thorn turns to the only person he knows who'll be able to help him: Kit. Torn between working the Glow case and her loyalty for the young prince, Kit is propelled headlong into a world of danger. She faces enemies from both the Otherwhere and our world. And as the stakes are raised, the consequence of failure for both Kit and Thorn, and two realms, could be devastating.

Jerry the mouse is hiding in this book--follow Tom the cat as he hunts through the pages for his foe.

Coming from sunny California, the mist-shrouded Academy was a shock, with its strange customs, ancient curriculum and study of Latin - the language of the dead. Then I discovered that the school has more than one dark secret... I also discovered Dante. Intelligent, elusive and devastatingly gorgeous, most people can't decide whether they love, hate or fear him. All I know is that when we're together, I've never felt more alive - or more afraid. "I really enjoyed this book, it was fast moving, gutsy and engaging. Once I picked it up I found it very hard to put it down. The plot was just fantastic, and original. ... What I loved most was the use of classic literature to help tell the story... It grabs you, and when it finishes you don't really know what to do with yourself. Superb." - The Book Bag

Han Solo and his new friends embark on a daring rescue mission just after the destruction of the first Death Star.

Acclaimed New York Times bestselling author Lynne Truss (Eats, Shoots & Leaves) is back with a mesmerizing and hilarious tale of cats and murder For people who both love and hate cats comes the tale of Alec Charlesworth, a librarian who finds himself suddenly alone: he ' s lost his job, his beloved wife has just died. Overcome by grief, he searches for clues about her disappearance in a file of interviews between a man called "Wiggy" and a cat, Roger. Who speaks to him. It takes a while for Alec to realize he ' s not gone mad from grief, that the cat is actually speaking to Wiggy ... and that much of what we fear about cats is true. They do think they ' re smarter than humans, for one thing. And, well, it seems they are! What ' s more, they do have nine lives. Or at least this one does – Roger ' s older than Methuselah, and his unblinking stare comes from the fact that he ' s seen it all. And he ' s got a tale to tell, a tale of shocking local history and dark forces that may link not only the death of Alec ' s wife, but also several other local deaths. But will the cat help Alec, or is he one of the dark forces? In the deft and comedic hands of mega-bestseller Lynne Truss, the story is as entertaining as it is addictive " (The Sunday Telegraph) – an increasingly suspenseful and often hysterically funny adventure that will please cat lovers and haters alike. And afterwards, as one critic noted, " You may never look at a cat in quite the same way again " (The Daily Mail).

" A heart-pounding thriller. When I Was You pitches two women with the same name against one another, and the rug is pulled out from under you the moment you decide to trust one of them. " —Sandie Jones. USA Today bestselling author of The Other Woman " Amber Garza has upped the game on the classic stalker novel! ... A fast-paced, beautifully plotted book. " —Samantha Downing. USA Today bestselling author of My Lovely Wife You meets Fatal Attraction in this up-all-night story of suspicion, obsession and motherhood. It all begins on an ordinary fall morning, when Kelly Medina gets a call from her son ' s pediatrician to confirm her upcoming " well-baby " appointment. It ' s a cruel mistake; her son left for college a year ago, and Kelly ' s never felt so alone. The receptionist quickly apologizes: there ' s another mother in town named Kelly Medina, and she must have gotten their numbers switched. For days, Kelly can ' t stop thinking about the woman who shares her name. Lives in her same town. Has a son she can still hold, and her whole life ahead of her. She can ' t help looking for her: at the grocery store, at the gym, on social media. When Kelly just happens to bump into the single mother outside that pediatrician ' s office, it ' s simple curiosity getting the better of her. Their unlikely friendship brings Kelly a renewed sense of purpose—taking care of this young woman and her adorable baby boy. But that friendship quickly turns to obsession, and when one Kelly disappears, well, the other one may know why.

" A dark, thoroughly modern fairy tale crackling with wit and magical mayhem. " —Leigh Bardugo. New York Times bestselling author of Shadow and Bone " An enchantingly twisted modern fairy tale, perfect for those who prefer Grimm to Disney. Inventive, darkly magical, and beautifully written, it will stay with me for a long time. " — Kendare Blake. New York Times bestselling author of Three Dark Crowns
Vassa in the Night is a powerful and haunting modern retelling of the Russian folktale " Vasilissa the Beautiful " for teen fans of urban fantasy, fairy tales, magic, and horror who enjoy books by Leigh Bardugo, Kendare Blake, Catherynne Valente, and V. E. Schwab. In the enchanted kingdom of Brooklyn, the fashionable people put on cute shoes, go to parties in warehouses, drink on rooftops at sunset, and tell themselves they ' ve arrived. A whole lot of Brooklyn is like that now—but not Vassa ' s working-class neighborhood. In Vassa ' s neighborhood, where she lives with her stepmother and bickering stepsisters, one might stumble onto magic, but stumbling out again could become an issue. Babs Yagg, the owner of the local convenience store, has a policy of beheading shoplifters—and sometimes innocent shoppers as well. So when Vassa ' s stepster sends her out for light bulbs in the middle of night, she knows it could easily become a suicide mission. But Vassa has a bit of luck hidden in her pocket, a gift from her dead mother. Erg is a tough-talking wooden doll with sticky fingers, a bottomless stomach, and a ferocious cunning. With Erg ' s help, Vassa just might be able to break the witch ' s curse and free her Brooklyn neighborhood. But Babs won ' t be playing fair...
