the emission system, engine, or transmission. BMW check engine light may come on due to something as simple as a loose gas cap, but it can also indicate an expensive engine or transmission problem.

Troubleshooting BMW Check Engine Light & Service Engine Soon

The “ Service Engine Soon ” light can pop up on your BMW for many reasons. The function is to alert you to an error or malfunction so you can get the problems fixed before it gets worse. Here is how it works. What you should know is that the “ Service Engine Soon ” light in your BMW is similar to a “ Check Engine ” light in some other cars.
