The hysteria on display in The Crucible reaches its peak during Act 3. Throughout, there are examples of the court officials ignoring logic and evidence in favor of ignorance and paranoia. It becomes clear that the court has chosen to believe the accusers, and any evidence presented indicating that they are frauds is discounted.

In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every section, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: The Crucible is the award-winning play written by Arthur Miller about the Salem witch trials of 1692. One night in Salem Massachusetts, a group of girls are caught dancing in the woods by Reverend Parris. His own daughter falls into a coma soon after, and the town is ablaze with talks of witchcraft. The Reverend sends for Reverend Hale to examine the girl for witchcraft. Hale concludes that the town of Salem is in fact engulfed in witchcraft as one by one the girls accuse other townspeople of communing with the devil. A trial ensues causing those accused to either deny these allegations, or confess, thus accusing someone else. This cycle finally culminates in the death of several innocent townsfolk. The Crucible is a historical dramatization of true events that show reputation is more important than admitting ignorance. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

Inspiring Dialogue helps new English teachers make dialogic teaching practices a central part of their development as teachers, while also supporting veteran teachers who would like new ideas for inspiring talk in their classrooms. Chapter by chapter, the book follows novice teachers as they build a repertoire of practices for planning for, carrying out, and assessing their efforts at dialogic teaching across the secondary English curriculum. The text also includes a section to support dialogic teacher learning communities through video study and discourse analysis. Providing a thorough discussion of the benefits of dialogic curriculum in meeting the objectives of the Common Core State Standards, this book with its companion website is an ideal resource for teacher development. Book Features: Dialogic tools for step-by-step planning within a lesson, over the course of a unit, or during an entire academic year.A user-friendly, interactive layout designed for new teachers who are pressed for time.Classroom examples addressing the challenges English teachers may face in stimulating rich learning talk in an era of standardization. A companion website with additional examples, activities, and course material. "Real talk. Real classrooms. Real students. The authors of Inspiring Dialogue have given teacher education programs a tool for introducing dialogic teaching in culturally and linguistically diverse classrooms while meeting Common Core State Standards objectives." -Maisha T. Winn, Susan J. Cellmer Chair in English Education, University of Wisconsin-Madison, author of Girl Time: Literacy, Justice and the School-to-Prison Pipeline "Inspiring Dialogue covers a comprehensive and practical set of tools and strategies for implementing dialogic instruction. . . . It is a program that has been fully tested at Michigan State University in one of the most thorough and carefully crafted teacher education programs nationally." -From the Foreword by Martin Nystrand, professor emeritus, University of Wisconsin-Madison "One of the most exciting aspects of English language arts is the discussion that can occur in the classroom. For many teachers, however, it is often a struggle to structure and implement real dialogue. Inspiring Dialogue provides specific guidance to encourage authentic conversations between teachers and students with practical advice for implementation." -Lella Christenbury Chair, Department of Teaching and Learning, Commonwealth Professor, English Education, School of Education, Virginia Commonwealth University Mary M. Juzwik is associate professor of language and literacy in the Department of Teacher Education at Michigan State University (MSU), and co-editor of the journal Research in the Teaching of English. Carlin Borsheim-Black is assistant professor of English language and literature at Central Michigan University (CMU). Samantha Caughlan is an assistant professor of English education in the Department of Teacher Education at MSU. Anne Heintz is an adjunct professor in the Master of Arts in Educational Technology program at MSU.

Weakness of will seems to be an inherent part of the human condition. We know what we ought to do and how often we knowingly, willingly fall short in actual practice. How can this be explained and what challenges does it present to systematic explanations of intentional actions? In this clear, incisive and well written inquiry, philosopher Keith Wyma subjects the thought of three prominent intentional theorists, R.M.Hare, Donald Davidson and Thomas Aquinas, to the crucible of reason to see whether and how they can account for weakness of will. Wyma is careful to clarify which actions count as incontinent or the result of weakness of will; they must be performed intentionally even as they are judged as something that ought not to be done. His in-depth study of Hare, Davidson and Aquinas on this important issue is a major contribution to understanding practical rationality and intentional action.

An African-American family is united in love and pride as they struggle to overcome poverty and harsh living conditions, in the award-winning 1959 play about an embattled Chicago family

praise for previous books by stephen d. brookfield *Award-winning author Stephen Brookfield offers insight,inspiration, and down-to-earth advice to all teachers in settings as diverse as college, adult education, and secondaryschools-on how to thrive on the unpredictability of classroomlife.*"Better Teaching "The author [relates] some of his own personal experiences as aneducator in encouraging critical thinking. His insight and honestyin relating these experiences is valuable andinteresting."-CBS Report "Brookfield's book will serve as an effective focus that canfacilitate faculty in thinking critically about their work, theircommunity, their relationships, not only individually butcollaboratively."-Teaching Sociology "He offers clear, jargon-free, and unpretentious guidance."-Reference & Research Book News "The author is so darned good at finding and highlighting thekey research." -Training *Brookfield illustrates practically his major scholarly interestin this readable, innovative, and perceptive book on collegeteaching."-Choice

A classic work of American theatre, based on the Scopes Monkey Trial of 1925, which pitted Clarence Darrow against William Jennings Bryan in defense of a schoolteacher accused of teaching the theory of evolution The accused was a slight, frightened man who had deliberately broken the law. His trial was a Roman circus. The chief gladiators were two great legal giants of the century. Like two bull elephants locked in mortal combat, they bellowed and roared imprecations and abuse. The spectators sat uneasily in the sweltering heat with murder in their hearts, barely able to restrain themselves. At stake was the freedom of every American. One of the most moving and meaningful plays of our generation. Praise for Inherit the Wind "A tidal wave of a drama."-New York World-Telegram And Sun "Jerome Lawrence and Robert E. Lee were classic Broadway scribes who knew how to crank out serious plays for thinking Americans. . . . Inherit the Wind is a perpetually prescient courtroom battle over the legality of teaching evolution. . . . We're still arguing this case-all the way to the White House."-Chicago Tribune "Powerful . . . a crackling good courtroom play . . . [that] provides two of the juiciest roles in American theater."-Copley News Service "[This] historical drama . . . deserves respect."-The Columbus Dispatch

A literary study guide that includes summaries and commentaries.

The ultimate guide for anyone wondering how President Joe Biden will respond to the COVID-19 pandemic-all his plans, goals, and executive orders in response to the coronavirus crisis. Shortly after being inaugurated as the 46th President of the United States, Joe Biden and his administration released this 200 page guide detailing his plans to respond to the coronavirus pandemic. The National Strategy for the COVID-19 Response and Pandemic Preparedness breaks down seven crucial goals of President Joe Biden's administration with regards to the coronavirus pandemic: 1. Restore trust with the American people. 2. Mount a safe, effective, and comprehensive vaccination campaign. 3. Mitigate spread through expanding masking, testing, data, treatments, health care workforce, and clear public health standards. 4. Immediately expand emergency relief and exercise the Defense Production Act. 5. Safely reopen schools, businesses, and travel while protecting workers. 6. Protect those most at risk and advance equity, including across racial, ethnic and rural/urban lines. 7. Restore U.S. leadership globally and build better preparedness for future threats. Each of these goals are explained and detailed in the book, with evidence about the current circumstances and how we got here, as well as plans and concrete steps to achieve each goal. Also included is the full text of the many Executive Orders that will be issued by President Biden to achieve each of these goals. The National Strategy for the COVID-19 Response and Pandemic Preparedness is required reading for anyone interested in or concerned about the COVID-19 pandemic and its effects on American society.

In Acting It Out, you'll discover how to use drama in your ELA and social studies classrooms to boost student participation and foster critical thinking. With years of experience supervising arts integration programs in Chicago Public Schools, authors Juliet Hart, Mark Onuscheck, and Mary T. Christel offer practical advice for teachers in middle and high schools. Inside, you'll find... Group activities to improve concentration, harness focus, and engage students of all abilities and learning styles in teamwork Close reading exercises that encourage students to think critically and build personal relationships with the text Strategies for integrating active approaches to dramatic literature, such as improvisation and scene work Ideas for using dramatic literature as a springboard for studying history and interdisciplinary studies Annotated reading lists that highlight each play's content and recommended uses in ELA or social studies Throughout the book, you'll also find handy tools such as reflection questions, handouts, and rubrics. By implementing the strategies in this book and allowing students to step into different roles from a text, you'll improve reading comprehension and energize your classroom!
