I suggest using the DARE approach with the workbook for the best results. This workbook may be good on its own for those who experience mild anxiety or who want a tiny taste of the DARE approach. It's also a bit introspective and you may learn a few things about yourself that you didn't even realize which is always a good thing.

A put.-down can hurt feelings and stop open discussion. 0 Observe and use the quiet signal. 0 Use the words "someone I know" instead of a person's

COME ON IN! - DARE BC Society

This book is a contribution to this second aspect of typology, but it differs from previous contributions in important respects. The book is a unique contribution in at least two respects. On the one hand, it is the first book based on systemic functional theory that is specifically concerned with language typology.
