This open access book is an outcome of the EU 's Horizon 2020 project ' Financial and Institutional Reforms for an Entrepreneurial Society ' (FIRES). Building on historical, economic and legal analysis, and combining methods and data across disciplines, the authors provide policymakers, stakeholders and scholars with valuable new tools for assessing and improving Europe ' s entrepreneurial ecosystems. Then experts from Germany, Italy and the United Kingdom discuss tailored strategies for introducing entrepreneurial policy reforms in their respective countries.

The story of socialism and communism is a saga of idealism and cynicism, revolution and repression, power and powerlessness. The entire political and economic history of the modern era is contained in this account, forming a detailed and lively panorama. The world is still grappling with age-old questions regarding governance, equality, justice, and freedom. As this enthralling text details so vividly, socialism and communism attempted to answer these questions definitively. In that they failed, but in doing so, they highlighted the importance of the questions themselves and of the ordinary people whose lives hang in the balance, waiting for answers
