Amazon.com: Customer reviews: EXILE

Richard North Patterson knew that he was going to have problems with his novel Exile because he devotes six pages at the end to talk about the controversy he expected. He writes off the anticipated criticism he would get as partisans "so committed to their own narrative that they are grossly offended by any deviation."

Muddling Fact and Fiction: A review of Exile

As a fan of Richard North Patterson, I actually had the hardcover of "Exile" on my bookshelf, unread, for many months, somewhat daunted by its length and its background of Middle East politics. I decided to see whether I could access the book more easily through the audio version, and I'm glad I did.

From one of America's most compelling novelists comes the mesmerizing story of a lawyer who must defend the woman he loves against a charge of conspiring to assassinate the prime minister of Israel David Wolfe's life is approaching an exhilarating peak: he's a successful San Francisco lawyer, he's about to get married, and he's being primed for a run for Congress. But when the phone rings and he hears the voice of Hana Arif—the Palestinian woman with whom he had a secret affair in law school—he begins a completely unexpected journey. The next day, the prime minister of Israel is assassinated by a suicide bomber while visiting San Francisco; soon, Hana herself is accused of being the mastermind behind the murder. Now David faces an agonizing choice: Will he, a Jew, represent Hana—who may well be guilty—or will he turn away the one woman he can never forget? The most challenging case of David's career requires that he delve deep into the lives of Hana Arif and her militant Palestinian husband, both of whom have always lived in exile. Ultimately, David's quest takes him to Israel and the West Bank, where, in a series of harrowing encounters, he learns that appearances are not at all what they seem. Culminating in a tense and startling trial with international ramifications, *Exile* is that rare novel that both entertains and enlightens. At once an intricate tale of betrayal and deception, a moving love story, and a fascinating journey into the lethal politics of the Middle East, this is Richard North Patterson at his most brilliant and engrossing.

David Wolfe is an ambitious former homicide prosecutor who is planning to run for Congress. A political dinner for the Israeli Prime Minister is hosted by his current girlfriend, Carole Shorr, a liberal supporter of both the Palestinian and Israeli causes. But when David receives a call from Hana Ashawi, a Palestinian woman who was David's classmate at Harvard Law School, he is rattled. Hana was more than a peer - she was his lover. Suddenly David finds himself thrown into a situation with enormous global and political implications as well as emotional ones. A new pact between rival factions is planned, and David and Carole decide to watch the historic moment when the parties will all meet. It turns out to be an occasion of desperate, tragic and far reaching consequences...

Sidelined after a colleague's blunder, CIA agent Brooke Chandler envisions a way to halt an Al Qaeda plot to set off a massive nuclear explosion and begins a race against time that returns him to Lebanon, where nothing is quite as it seems. By the best-selling author of *Protect and Defend*. Reprint. 350,000 first printing.

After the murder of his high school sweetheart left him shattered, Tony Lord vowed never to return to his Ohio hometown of Lake City. Twenty-eight years later, Tony is a successful California criminal lawyer with a beautiful celebrity wife. He's living the good life...until long-buried memories come crashing down when he hears from an old friend, who needs his help. Sam Robb is a track coach at Lake City High. He swears he is not responsible for the death of one of his female team members...even though forensic evidence reveals that he's the father of her unborn child. Back when they were teenagers, Sam stood by Tony when he was a suspect in his young girlfriend's murder—and Tony desperately wants to do the same for him today. In doing so, Tony will have to revisit his troubled past and probe the darkest secrets of small-town life to get to the truth. And what he will find is more shocking than he ever could have imagined....

A young man has been murdered. His girlfriend, twenty-two-year-old Brett Allen, is found at the scene of the crime. She claims she is innocent—even though she's dripping in blood, the murder weapon covered with her fingerprints. Enter attorney Caroline Masters, Brett's estranged aunt. She's been summoned back to her affluent New England hometown to help Brett out of this mess...and revisit the troubled family she left behind. Caroline learned a long time ago that the ties that bind can also be broken. Now that she's back home, she can't help but doubt her family's motives—and Brett's innocence. As the trial heats up, Caroline finds herself up against those who would kill to keep dark secrets hidden...and the state prosecutor, who happens to be her former lover and will do anything to expose the truth. Now, with her family's fate—and her own reputation—hanging in the balance, Caroline must assume the role of a lifetime as she fights to save her niece. Or destroy them both...

The marriage of President Kerry Kilcannon and TV journalist Lara Costello is marred by a massacre of innocent civilians by gunfire, setting in motion events that reveal the hidden connections among guns, money, and power in Washington.

The mysterious, violent death of a prominent New England patriarch exposes a nest of dark family secrets in New York Times bestselling author Richard North Patterson's twentieth compelling novel. From #1 bestselling author Richard North Patterson comes a spellbinding psychological puzzle filled with unexpected legal twists, potentially criminal turns, and one family's shocking fall from grace. After ten years away from home, Adam Blaine returns to Martha's Vineyard to attend the funeral of his estranged father, Ben, a famous and charismatic writer who was fond of sailboats, good wine—and women other than his wife. When Adam learns that Ben disinherited his family in favor of his mistress, he begins to wonder if his father's death—caused by an inexplicable fall from a cliff—might have been suicide or murder. Using his training as a CIA operative, Adam unearths some shattering revelations about the mistress's past. But even more disturbing are the family secrets that can't stay buried any longer—secrets that make Adam question everything he thought he knew about every player in this fateful game. Even himself...

A high-powered San Francisco defense attorney becomes the defendant in a scandalous murder case involving accusations of adultery and sexual abuse, divorce, an ugly custody battle, extortion, and conflicting loyalties

On a cold day in January, President-elect Kerry Kilcannon takes the oath of office—and within days makes his first, most important move: appointing a new

Chief Justice of the Supreme Court. Kilcannon's choice is a female judge with a brilliant record. And a secret. While the Senate spars over Caroline Masters's nomination, an inflammatory abortion rights case is making its way toward the judge—and will explode into the headlines. Suddenly, the most divisive issue in America turns the President's nomination into all-out war. And from Judge Masters to a conservative, war-hero senator facing a crisis of conscience and a fifteen-year-old girl battling for her future, no one will be safe.
