For golf's true enthusiasts, the game is far more--and far more complex--than a simple hobby, commodity, or slice of the sports industry. It is a physical and mental place to be, a community. It has a history, a hierarchy, laws, a language, and a literature. And in Richard J. Moss, it has a chronicler. From its beginnings in the northeastern United States in the 1880s, golf has seen its popularity, and its fortunes, wax and wane, affected by politics and economics, reflecting tensions between aristocratic and democratic impulses. The Kingdom of Golf in America traces these ups and downs, ins and outs, in the growth of golf as a community. Moss describes the development of the private club and public course and the impact of wealth and the consumer culture on those who play golf and those who watch. He shows that factors like race, gender, technology, suburbanization, and the transformation of the South that shaped the nation also shaped golf. The result is a unique, and uniquely entertaining, work of cultural history that shows us golf as a community whose story resonates far beyond the confines of the course. Purchase the audio edition.

When their vibrant 12-year-old daughter is diagnosed with an inoperable brain tumor, Dan and Jen O'Hara prepare for the fight of their lives, and their ultimate loss, in this raw and emotional story that reveals why family, faith and hope are so important in our daily lives. Original.

Stuart Baron, a humble Los Angeles trucking executive, endures a near-death experience. He moves his family from an affluent suburb to an Alabama catfish farm with hopes of quenching a midlife crisis. Together with Tabitha, his spell-binding wife, and Winchester, his precocious five-year-old son, he rewrites Murphy's law of catfish farming. Their adaption to the Deep South and the ensuing culture shock is overshadowed by a daunting legacy involving a Mexican drug cartel. In the climatic finale, the Baron family, a quirky DEA agent, and a colorful cast of good ol' boys make for a powerful romp of old-fashioned justice in the backwoods of west Alabama.
