When Venus asks Ava to kill a family friend, Ava rebels. She
knows very well that you can't say no to the Coterie and
expect to get away with it, though, so she and her friends hit
the road, trying desperately to think of a way out of the
mess they find themselves in. Preferably keeping the
murder to a minimum, in Lish McBride's Firebug.

Download the first five chapters of FIREBUG, the start of a new series by Lish McBride! Ava is a firebug—she can start fires with her mind. Which would all be well and good if she weren't caught in a deadly contract with the Coterie, a magical mafia. She's one of their main hit men... and she doesn't like it one bit.

Teen & Young Adult Lish McBride was raised by wolves in the Pacific Northwest. It rains a lot there, but she likes it anyway. She spent three years away while she got her MFA in fiction from the University of New Orleans, and she liked that too, although the hurricane did leave much of her stuff underwater.
