While some see him as a "therapist's therapist" or professor, he is first and foremost a healer, encouraging those around him to improve their lives to pursue their individual growth and development. In the tradition of a true Jungian, Hollis teaches, shares and writes about what he has experienced himself.

In Hauntings, James Hollis considers how we are all governed by the presence of invisible forms—spirits, ghosts, ancestral and parental influences, inner voices, dreams, impulses, untold stories, complexes, synchronicities, and mysteries—which move through us, and through history.

Hauntings : James Hollis : 9781888602623

In *Hauntings*, James Hollis considers how we are all governed by the presence of invisible forms—spirits, ghosts, ancestral and parental influences, inner voices, dreams, impulses, untold stories, complexes, synchronicities, and mysteries—that move through us and through history. He offers a way to understand them psychologically, examining the persistence of the past in influencing our present, conscious lives and noting that engagement with mystery is what life asks of each of us.
