Hoover Struggles with the Depression

The stock market crashed on Thursday, October 24, 1929, less than eight months into Herbert Hoover ' s presidency. Most experts, including Hoover, thought the crash was part of a passing recession. By July 1931, when the President wrote this letter to a friend, Governor Louis Emmerson of Illinois, it had become clear that excessive speculation and a worldwide economic slowdown had plunged America into the midst of a Great Depression.

Herbert Hoover on the Great Depression and New Deal, 1931 ...

Hebert Hoover was blamed for the great depression because of his lack of involvement and issue with the stock market. He took out his money from the stocks which feared Americans currently invested in the stock market, so they pulled their money out as well, this decreased the value of stocks greatly.
