Don't stare continuously. Look at them while you're talking and while you're asking questions. Occasionally take your eyes off while you speak (but don't stare into empty space as if he wasn't there) Never look over your speaking partner's shoulder as if you were looking for someone more important to talk to.

This course goes into detail about the ways you can learn how to talk to any person, at any time, in any place. We begin by talking about why you need to be open when engaging in conversation, as well as how you can cultivate the will to talk to others when you don't feel like it. We also discuss the importance of showing interest in conversations.
