I Wanna Text You Up – The Romance Quest

Listen to I Wanna Text You Up Audiobook by Teagan Hunter, narrated by Emma Wilder

When I put up a ROOMMATE WANTED poster, he was the last person on earth I thought would respond. He was also the last person on earth I'd agree to let live with me...on purpose. But, here we are—roommates. I'm certain we can coexist without it being awkward, and I'm determined to make it work. There will be no sexual tension building with each accidental touch, no flutters when he wears that stupid backward baseball cap, and definitely no flirting when we text back and forth. Caleb Mills can't be the guy for me. He's my best friend's ex-boyfriend. And that would be wrong...right?

How can one wrong number be so right? A slew of L-O-L texts turn into romance that lasts a lifetime. You don't want to miss this box set, which includes TEXTIN' UP MY HEART! INCLUDES: LET'S GET TEXTUAL - WRONG NUMBER When Zach Hastings sends a text to the wrong number, it leads to a crazy adventure of finding love...and a baby goat. I WANNA TEXT YOU UP - ROOMMATES TO LOVERS/BEST FRIEND'S EX Caleb Mills was just looking for a new roommate. He didn't plan to fall in love with her, especially not since she's his ex-girlfriend's best friend... CAN'T TEXT THIS - SINGLE DAD Monty Andrews just wanted to blow off some steam. She didn't mean to wind up in the bathroom of a bar with a sexy, tattooed stranger...or in his bed. Everything's going as planned—until they discover she's his son's teacher. TEXT ME BABY ONE MORE TIME - SECOND CHANCE Shep Clark is aiming to rehab his reputation after a disastrous year both on and off the field. Denver Andrews just happens to be aiming for a promotion at the paper, and an expos é on the local pro-baseball star would be the perfect piece...if they can keep their past out of it. TEXTIN' UP MY HEART: A NOVELLA Get caught up with the gang as Zach and Delia try to navigate their future. AUTHOR'S NOTE: Due to page count, this book is sized bigger than my other books.

Warning: Workplace flirtation may cause side effects. Super-geek physician Saam Sherazi, M.D., is clueless about anything that can 't be learned from a textbook. Most people assume he 's an intellectual a-hole with a God complex, but Saam doesn 't need a sparkling bedside manner to treat his patients. Besides, he 'd rather not encourage the countless women who are solely attracted to the two little letters at the end of his name—something that 's rubbed him the wrong way ever since he finished med school. But when Lorie Braddock walks into Saam 's office, he finds himself wanting to rub her all sorts of right. At twenty-five, former beauty queen Lorie Braddock is finally living life on her terms. She 's moved to the big city, landed her dream job, and traded her titles and tiaras for power suits and

promotions. But while Lorie ' s sprinting up the corporate ladder, her dating life is guided by one simple rule: Don ' t dip your pen in the company ink. Until Dr. Saam Sherazi starts invading her thoughts . . . and steaming up her phone with the kind of sexting that makes her want to rewrite all her rules. Evie Clarie ' s red-hot romances can be enjoyed together or separately: LET ' S TALK ABOUT SEXT • I WANNA SEXT YOU UP This ebook includes an excerpt from another Loveswept title.

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

Alex just has to convince his mom to let him have an iguana, so he puts his arguments in writing. He promises that she won't have to feed it or clean its cage or even see it if she doesn't want to. Of course Mom imagines life with a six-foot-long iguana eating them out of house and home. Alex's reassurances: It takes fifteen years for an iguana to get that big. I'll be married by then and probably living in my own house. and his mom's replies: How are you going to get a girl to marry you when you own a giant reptile? will have kids in hysterics as the negotiations go back and forth through notes. And the lively, imaginative illustrations show their polar opposite dreams of life with an iguana.

" It ' s Not How Good You Are, It ' s How Good You Want to Be is a handbook of how to succeed in the world: a pocket bible for the talented and timid alike to help make the unthinkable thinkable and the impossible possible. The world ' s top advertising guru, Paul Arden, offers up his wisdom on issues as diverse as problem solving, responding to a brief, communicating, playing your cards right, making mistakes, and creativity — all endeavors that can be applied to aspects of modern life. This uplifting and humorous little book provides a unique insight into the world of advertising and is a quirky compilation of quotes, facts, pictures, wit and wisdom — all packed into easy&hyphen;to&hyphen;digest, bite&hyphen;sized spreads. If you want to succeed in life or business, this book is a must. "

#1 New York Times bestseller · Seven starred reviews · Boston Globe-Horn Book Award Honor Book " For all the struggle in this book, Thomas rarely misses a step as a writer. Thomas continues to hold up that mirror with grace and confidence. We are lucky to have her, and lucky to know a girl like Bri. " —The New York Times Book Review This digital edition contains a letter from the author, deleted scenes, a picture of the author as a teen rapper, an annotated playlist, Angie ' s top 5 MCs, an annotated rap, illustrated quotes from the book, and an excerpt from Angie ' s next novel, Concrete Rose. Sixteen-year-old Bri wants to be one of the greatest rappers of all time. Or at least win her first battle. As the daughter of an underground hip hop legend who died right before he hit big, Bri ' s got massive shoes to fill. But it ' s hard to get your come up when you ' re labeled a hoodlum at school, and your fridge at home is empty after your mom loses her job. So Bri pours her anger and frustration into her first song, which goes viral . . . for all the wrong reasons. Bri soon finds herself at the center of a controversy, portrayed by the media as more menace than MC. But with an eviction notice staring her family down, Bri doesn ' t just want to make it—she has to. Even if it means becoming the very thing the public has made her out to be. Insightful, unflinching, and full of heart, *On the Come Up* is an ode to hip hop from one of the most influential literary voices of a generation. It is the story of fighting for your dreams, even as the odds are stacked against you; and about how, especially for young black people, freedom of speech isn ' t always free.

I never thought I was the type of girl to give a hoot about marriage. I didn't fantasize about my wedding as a little girl. I've always firmly been in the "If it happens, it happens" camp. Even after I met Zach and decided to move in with him, I still felt that way. Until last month. I want to get married. I want to purchase a home that's completely ours, to draw up our wills and get serious about our future. I want to do all the husband-and-wife things. As silly as it sounds, I want the piece of paper saying he's mine forever. I just have no idea how to tell him that.

Most people would probably be embarrassed to land themselves back in their hometown and working at a pizzeria after an ugly divorce. Not me. It's home, and I have one last shot to make Wren Daniels see me as more than just her brother's best friend. When the opportunity to show her what's been right in front of her this whole time presents itself, I take it, holding nothing back this time. Wren thinks we're pretending, but there's nothing fake about the way I feel. After all, she's always had...a pizza my heart.
