This may be my favorite Meg Cabot novel to date. And that's saying a lot. The novel follows Meena Harper, a dialogue writer on a major soap opera called Insatiable. She desperately wants to be promoted to head writer, but loses the promotion. She shares an apartment in a nice old coop building with her unemployed brother.

Insatiable (Insatiable, #1) by Meg Cabot

With Insatiable, Ms. Cabot has taken the craze for vampire fiction, mixed in a plot that is truly soap-opera worthy and created a novel that's humorous and exciting and also slightly ridiculous. Meena is a snappy heroine who does remarkably well with all of the crazy things that get thrown at her over the course of a few days.

Insatiable: Cabot, Meg: 9780061735080: Amazon.com: Books

Insatiable is book one in the Insatiable series by Meg Cabot. This is the first Meg Cabot book I've read so far, and it was pretty entertaining. There were a lot of similarities to other book and tv/movie series that are out there right now.

Meg Cabot is the #1 New York Times best-selling author of The Princess Diaries (which was made into two Walt Disney movies, published in over 40 countries and voted as one of England's 100 best-loved novels), the Airhead trilogy, The Mediator Series, 1-800-WHERE-R-U series (which was the basis for a TV series called Missing), and Allie Finkle's Rules for Girls.

Summary and reviews of Insatiable by Meg Cabot

Meg Cabot's modern sequel to Bram Stoker's Dracula. Learn more about the book.

Insatiable Series | Author Meg Cabot

Meg Cabot married financial writer and poet Benjamin D. Egnatz on April 1, 1993. Their wedding date, April Fool's Day, was a deliberate play on her husband's belief that only fools get married in the first place. The wedding was actually an elopement in Italy. Her novel Every Boy's Got One is loosely based on her own elopement.
