Edited by Rob Hubbard and featuring chapters written by global elearning experts: Clive Shepherd, Laura Overton, Jane Bozarth, Lars Hyland, Rob Hubbard, Julie Wedgwood, Jane Hart, Colin Steed, Clark Quinn, Ben Betts and Charles Jennings - this book is a practical guide to all the key topics in elearning, including: getting the business on board, building it yourself, learning management, blended, social, informal, mobile and game-based learning, facilitating online learning, making the most of memory and more.

What would it feel like if you realized that from the very beginning, you were designed to look for, to find, and to receive God? That you were designed to awaken to reality? How would it feel to know that this would definitely happen in your lifetime, because you were made to accomplish this very thing? Rather than encouraging us to seek God, Jason Shulman believes we need only make ourselves available to receive God, who is always present and awaiting us. In *The Instruction Manual for Receiving God*, you will encounter the presence of God through 108 seed passages -profound and insightful statements that are meant to unlock your mind and open your heart. Shulman offers generous reflection of each seed passage, illuminating the depth and meaning of its precious message. Reading this book is like entering a personal sanctuary where you will: Experience complete liberation-the act of being truly human Feel the constant rain of compassion washing over your spiritual life and receive the sacred blessings that are endlessly offered by reality itself Learn practical ways to connect to the Divine each and every day Here, Jason Shulman offers contemplations that access the reality of God, who is always knocking at the door of our hearts, and whose voice is always speaking. Whether read cover-to-cover or opened to a random verse for inspiration, *The Instruction Manual for Receiving God* is a book readers of all faiths will cherish and return to time and again.

business. Until now, no single resource has existed that fully explains how to run this type of business successfully. This book presents all aspects of private music instruction through an easy-to-read, concise, and engaging instructional format. Following the sound advice presented will help to greatly alleviate the problems that all beginning independent instructors face by specifically mapping out chronological steps for establishing and maintaining a private instruction music business. The field of private music education has been inundated by less-than-professional individuals who have made it difficult for legitimate, qualified instructors. The Private Music Instruction Manual shares years of information and experiences in the hope of legitimizing the field of private music instruction. In a world where there is decreasing priority and structure in public music education, private music instructors become increasingly important to prepare the next generation of musicians. No matter the size of your private music instruction business, the advice presented in The Private Music Instruction Manual will help to improve any private music business. From the Midwest Book Review: With The Private Music Instruction Manual; A Guide For The Independent Music Educator, author Rebecca Osborn draws upon her many years of experience and expertise as an adjunct college music professor and owner of three private music studies to write an informed and informative guidebook specifically for musicians and music instructors who want to teach students in a profitable private practice but are not familiar with or knowledgeable about setting up a music instruction business enterprise. Rebecca Osborne provides a wealth of invaluable, professional, effectively organized and presented instructions on establishing and maintaining a music teaching business and shows what to expect professional, personally, and financially from independent music instruction. If you want to make money teaching other how to play any kind of music instrument, then you need to give a careful (and profitable!) reading to Rebecca Osborn's The Private Music Instruction Manual!
