Although a woman of little beauty, Catherine possessed considerable charm, a lively intelligence, and extraordinary energy. During her husband's lifetime alone, she had at least three lovers; if her hints are to be believed, none of her three children, not even the heir apparent Paul, was fathered by her husband. Her true passion, however, was ambition; since Peter was incapable of ruling, she saw quite early the possibility of eliminating him and governing Russia herself.

Catherine the Great | Biography, Facts, & Accomplishments ...

Catherine II (born Sophie of Anhalt-Zerbst; 2 May 1729 in Szczecin – 17 November 1796), most commonly known as Catherine the Great, was Empress of Russia from 1762 until 1796—the country's longest-ruling female leader. She came to power following a coup d'état that overthrew her husband and second cousin, Peter III. Under her reign, Russia grew larger, its culture was revitalised, and it ...

Catherine the Great - Wikipedia

Catherine the Great counted among her successes many glorious military victories which succeeded in expanding Russia's realm to over 200,000 square miles. She was, by all accounts, an efficacious leader and reformer in Russian history. Despite her professional successes, her personal life was far from ideal.

Katharine Hepburn: A Lifetime of Secrets Revealed – JHO

"Katharine the Great" covers many of the major issues and characters of 20th century Washington. On a personal level, it includes the stark portrayal of the unravelling of Katharine's husband Phil and an intimate view of the heights of power to which America's most powerful woman has risen since Watergate.

Katharine the Great: Katharine Graham and the "Washington ...

"Empress Catherine the Great ruled Russia from 1762 to 1796. A minor German princess by birth, she assumed the throne after staging a coup against her husband Peter III. Unlike her German husband, Catherine embrace her adopted homeland of Russia - and her subjects loved her for it. Catherine considered herself a member of the Enlightenment. Early in her reign she wrote the Instruction, a tract ...

Florida fell in love with Katharine, and it's great to hear from her." Katharine's tracker emitted a "z-ping" April 4, but the tag, attached to her dorsal fin, wasn't out of the water long ...

The life of the indomitable grande dame of American actresses, Katharine Hepburn, is revealed for the first time in this ground-breaking biography by the author of *The Secret Life of Humphrey Bogart*. Hepburn was notoriously secretive and countless biographies that claim to uncover the real woman have done little more than whitewash her jealously guarded private life. Filled with previously unpublished information, *Katharine the Great* is top-heavy with stunning revelations, the most sensational of which centres on the love affair between her and Spencer Tracey.

Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

As seen in the new movie *The Post*, directed by Steven Spielberg and starring Meryl Streep, here is the captivating, inside story of the woman who piloted the Washington Post during one of the most turbulent periods in the history of American media. In this bestselling and widely acclaimed memoir, Katharine Graham, the woman who piloted the Washington Post through the scandals of the Pentagon Papers and Watergate, tells her story - one that is extraordinary both for the events it encompasses and for the courage, candour and dignity of its telling. Here is the awkward child who grew up amid material wealth and emotional isolation; the young bride who watched her brilliant, charismatic husband - a confidant to John F. Kennedy and Lyndon Johnson - plunge into the mental illness that would culminate in his suicide. And here is the widow who shook off her grief and insecurity to take on a president and a pressman's union as she entered the profane boys' club of the newspaper business. As timely now as ever, *Personal History* is an exemplary record of our history and of the woman who played such a shaping role within them, discovering her own strength and sense of self as she confronted - and mastered - the personal and professional crises of her fascinating life.

- The private Hepburn in her own words: Katharine Hepburn draws on a series of interviews Chandler conducted with the actress during the 1970s and 1980s. Chandler also interviewed director George Cukor; Hepburn co-stars Cary Grant and James Stewart; and Laurence Olivier, Ginger Rogers, and other screen luminaries. .
- A Hollywood icon unveiled: Notoriously guarded, Katharine Hepburn talks candidly with Chandler about her marriage, her long affair with Spencer Tracy, co-stars and movies, and the seminal event in her life—the suicide of her brother, whom she adored, when they were both in their teens. With her unprecedented access to Hepburn, Chandler has written a biography completely different from all others, including Hepburn's own guarded book about herself. .

As a fitting epilogue to a life intimately linked to Washington, D.C., Pulitzer Prize winner Katharine Graham, the woman who transformed The Washington Post into a paper of record, left behind this lovingly collected anthology of writings about the city she knew and loved, a moving tribute to the nation's capital. To Russell Banks, it is a place where "no one is in charge and no one, therefore, can be held responsible for the mess." To John Dos Passos, it is "essentially a town of lonely people." Whatever your impressions of Washington, D.C., you will likely find them challenged here. Experience Christmas with the Roosevelts, as seen through the eyes of a White House housekeeper. Learn why David McCullough is happy to declare "I love Washington," while The Washington Post's Sally Quinn wonders, "Why Do They Hate Washington?" Glimpse David Brinkley's depiction of the capital during World War II, then experience Henry Kissinger's thoughts on "Peace at Last," post-Vietnam. Written by a who's who of journalists, historians, First Ladies, politicians, and more, these varied works offer a wonderful overview of Katharine Graham's beloved city.

A perceptive analysis of American cinema focuses on the work of Katharine Hepburn, proposing a feminist reading of her films and how her persona is used to explore problems of class, female sexuality, and women's oppression. Simultaneous.

Mahperi the Moon Queen survived in a competitive court ruled by both love and hate in an era of builders and destroyers. Armed with intelligence and determination, she courageously weathered power struggles with male and female rivals, wars with the Mongols, intrigue at the court, and ultimate betrayal to become one of the most influential figures in the empire. Inspired by true events and people, Moon Queen weaves a bright carpet of inspiration, by turns inspiring and heartbreaking, providing a new perspective on one of the most glorious periods of Turkish history.

A NEW YORK TIMES Notable Book of the Year "In her book about her life, Miss Hepburn insists that that woman in the movies was not her at all. 'I'm not going to hide behind you anymore,' she says. 'Who are you anyway? You're not me.' Sure she is. The woman in the book is cocky, fearless, smart, capable, and human, on screen and off."—Anna Quindlen, The New York Times Admired and beloved by movie audiences for more than sixty years, four-time Academy Award winner Katharine Hepburn is an American classic and an extraordinary, enduring presence on the international cultural scene. Yet her private life has been obscured by mystery. Now Miss Hepburn breaks her long-kept silence in this absorbing and provocative memoir. With characteristic gusto and candor, Katharine Hepburn reflects on the events, people, and places that have shaped her life—her childhood and family, her early days in New York, and her experiences with political activism. She talks about the ups and downs of her career, her long friendship with Spencer Tracy, and of course, her close collaborations with several of the leading actors, directors, and producers of the past half century. Me is an unforgettable portrait of Katharine Hepburn as we have not seen her before. "It is the understanding heart revealed just before the final curtain that makes us fall in love with Katharine Hepburn."—The New York Times Book Review NOTE: This edition does not include photographs.

"That Affair Next Door" is a 1897 detective novel by Anne Katherine Green. The story revolves around a mysterious murder that has taken place in an otherwise unremarkable neighbourhood. The property next door to the murder scene is owned by the inquisitive Miss Butterworth, whose piqued curiosity leads to her becoming intrinsic to the solving of this horrific crime. The first instalment of Green's female detective series "The Amelia Butterworth Mysteries" and also number eight in the "Mr Gryce Series", "That Affair Next Door" is a riveting murder mystery not to be missed by fans and collectors of classic detective fiction. Contents include: "Miss Butterworth's Window", "The Windings of a Labyrinth", "The Girl in Gray", and "The End of a Great Mystery". Anna Katherine Green (1846–1935) was an American novelist and poet. Among the first writers of detective fiction in America, she is considered to be the "mother" of the genre for her legally-accurate and well-thought-out plots. Other notable works by this author include: "The Leavenworth Case" (1878), "A Strange Disappearance" (1880), and "The Sword of Damocles: A Story of New York Life" (1881). Read & Co. Classics is proudly republishing this vintage detective novel now in a brand new edition complete with a specially-commissioned new biography of the author.

'For more than twenty years, Katharine Hepburn imparted many of the details of her life to me suggesting that I weave them into a book - one that would appear upon her death. Sad to say, the time has come to publish that book. But I find comfort in knowing she lived a very rich 96 years; and I have tried my best to honour her wish of making the book as true to her spirit as possible - as inspiring, as loving and as fun.' Scott Berg KATE REMEMBERED is a loving tribute and a tender farewell that reveals an unusual relationship in a unique life, one fully lived - and largely according to Katharine Hepburn's own rules. More importantly, it sets down many of the stories of that life as she saw them, full of sentiments she felt should not be made public until after her death. Ultimately, this book is not only a story of the poignant final twenty years in which Scott Berg knew Katharine Hepburn, but also a tale of a great theatrical personality and the better part of the century that was the stage for her distinguished life.
