This directory provides an easy-to-use, accurate and up-to-date reference to film composers. Although designed mainly to be used by film production companies looking to hire composers, Film Composers has also found a strong audience among lovers of film music as well as researchers. Features include: Alphabetical listing of composers by name with a chronological listing of their credits showing releasing company and date of release; Contact information, when available, as well as any union, guild and/or society information; Cross-referenced index of film titles in alphabetical order followed by the name of the composer; Academy and Emmy Award winners and nominees among the composers listed in the book; A section on 'Notable Composers of the Past', showing the careers of selected composers since the beginnings of sound.
