Jonathan Kellerman says Mallory's Oracle is "a joy." Nelson DeMille and other advance readers have called it "truly amazing, " "a classic" with "immense appeal." It is all of that, and more: a stunning debut novel about a web of unsolved murders in New York's Gramercy Park and the singular woman who makes them her obsession. At its center is Kathleen Mallory, an extraordinary wild child turned New York City policewoman. Adopted off the streets as a little girl by a police inspector and his wife, she is still not altogether civilized now that she is a sergeant in the

# Download File PDF Mallorys Oracle Kathleen Mallory 1 Carol Oconnell

Special Crimes section. With her ferocious intelligence and green gunslinger eyes, Mallory (never Kathleen, never Kathy) operates by her own inner compass of right and wrong, a sense of justice that drives her in unpredictable ways. She is a thing apart. And today, she is a thing possessed. Although more at home in the company of computers than in the company of men, Mallory is propelled onto the street when the body of her adoptive father, Louis Markowitz, is found stabbed in a tenement next to the body of a wealthy Gramercy Park woman. The murders are clearly linked to two other Gramercy Park homicides Markowitz had been investigating, and now his cases become Mallory's, his death her cause. Prowling the streets, sifting through his clues, drawing on his circle of friends and colleagues, she plunges into a netherworld of light and shadow, where people are not what they seem and truth shifts without warning. And a murderer waits who is every bit as wild and unpredictable as she.... Filled with deep, seductive atmosphere and razor-sharp prose, Mallory's Oracle is gripping, resonant suspense of tantalizing complexity—a genuinely unforgettable novel.

Escaping from the streets of New York when a kind police sergeant takes her in, Kathleen Mallory grows up to become a proud member of the NYPD and embarks on a dangerous case to find her father's murderer. Reprint.

NYPD Detective Kathleen Mallory is back--to face her most terrifying obsession--the murder of her own mother...

# Download File PDF Mallorys Oracle Kathleen Mallory 1 Carol Oconnell

Formerly a child of the streets, now a brilliant computer hacker and NYPD sergeant, Kathleen Mallory's powerful intelligence is matched only by the ferocity with which she pursues her own unpredictable vision of right and wrong. And she will need every bit of that intensity now, in a murder case that strikes close to home in more ways than one.

It is three days before Christmas, and two young girls have disappeared from the local academy. This hasn't happened for fifteen years, since Rouge Kendall's twin sister was murdered. The killer was found, but now Rouge, twenty-five and a policeman, is forced to wonder: Was he really the one? Also wondering is a former classmate named Ali Cray, a forensic psychologist with scars of her own. The pattern is the same, she says: a child called out to meet a friend. The friend is the bait, the Judas child, and is quickly killed. But the primary victim lives longer...until Christmas Day. Rouge doesn't want to hear this. He's spent the last fifteen years trying to avoid the memories: drinking alone, lying low, washing out of school and a promising first career. Now he might abandon law enforcement too—but something won't let him, not yet. A little girl has haunted his dreams all these years—and he has three days finally to put her to rest.

The reviews called it “A Play to Die For” after a woman was found dead in the front row. It didn't seem so funny the next night when another body was found—this time the playwright himself, his throat slashed. Detective Kathy Mallory of the NYPD Special Crimes Unit takes over, but isn't getting a straight answer from anyone. Not the lead actor, a movie star

# Download File PDF Mallorys Oracle Kathleen Mallory 1 Carol Oconnell

fallen on hard luck; not the lead actress, a nervous sort with a dependence on pharmaceuticals; not even the wardrobe mistress, working under an alias; and certainly not the twin actors so unnervingly convincing playing psychos. Now, backstage, someone has left Mallory a message on the blackboard: Tonight ' s the night. Nothing personal. It appears that she is being written into the play itself, a play about a long-ago massacre that may not be fictional after all. If Mallory can find out who ' s responsible, heads will roll. Unfortunately, one of them might be her own.

Brothers Oren and Josh disappear into the woods. Only Oren comes out. Twenty years later, the mystery of what happened to Josh is going to be exposed, and somebody is finally sending him home-bone by bone.

She hit the New York Times list with Bone by Bone. Now her repackaged backlist will fly off the shelves. When a legendary magic trick goes horribly awry on national TV, detective Kathleen Mallory knows the gruesome death won't be the last. For misdirection is the heart of all magic-and perfect crimes.

The eight-year-old girl appeared in New York ' s Central Park one day: red-haired, blue-eyed, dirty-faced, smiling widely. She looked perfect, like a porcelain fairy—except for the blood on her shoulders. It fell from the sky, she told the police. It happened while she was looking for her Uncle Red, who had turned into a tree. Right, they thought, poor child. And then they found the body in the tree. For Mallory, newly returned to the Special Crimes Unit after three months ' lost time, spent she will not say where, there is something about

# Download File PDF Mallorys Oracle Kathleen Mallory 1 Carol Oconnell

the girl that she understands. Mallory is damaged, they say, dangerously unstable, but she can tell a kindred spirit when she sees one. And this one will ultimately lead her to a story of extraordinary crimes, to murders stretching back fifteen years, to blackmail and complicity and a particular cruelty that perhaps only someone with Mallory ' s history could fully recognize. In the next few weeks, she will deal with them all...in her own way.

Former U.S. Marshal Simon Fisk now works as a private contractor, tracking down and recovering children who were kidnapped by their own estranged parents. He only has one rule: he won't touch stranger abduction cases. He's still haunted by the disappearance of his own daughter years ago when she was just a child, still unsolved, and stranger kidnappings hit too close to home. Until, that is, six-year-old Lindsay Sorkin disappears from her parents' hotel room in Paris, and the French police deliver Simon an ultimatum: he can spend years in a French jail for his actions during a past case, or he can work with them now to find Lindsay Sorkin. So, Simon sets out in pursuit of the missing child and the truth behind her disappearance. But Lindsay's captors did not leave an easy trail, and following it will take Simon across the continent, through the ritziest nightclubs and the seediest back alleys, into a terrifying world of international intrigue and dark corners of his past he'd rather never face again. With lightning-fast pacing and a twist behind every turn, Douglas Corleone's *Good as Gone* is a gripping race against the clock for a young girl with her life on the line and a man who has nothing left to lose.
