Managing the Law: The Legal Aspects of Doing Business 5th ...

In law departments, leadership has many faces: the CLO, the managing attorneys, the servicing lawyers who work each day with the clients, and law department executives should all be leaders. And, of course, while every lawyer must be a leader, each must also be a superb collaborative team member (promoting harmony within the department, and in synch with their clients, outside counsel, external vendors, and co-venturists).

Managing the Law: The Legal Aspects of Doing Business ...

Law practice management is the management of a law practice. In the United States, law firms may be composed of a single attorney, of several attorneys, or of many attorneys, plus support staff such as paralegals/legal assistants, secretaries, and other personnel. Debate over law as a profession versus a business has occurred for over a century; a number of observers believe that it is both. Law practice management is the study and practice of business administration in the legal context, includ

Law practice management - Wikipedia

Legal risk management, sometimes referred to simply as “ LRM, ” is one of the core activities of any corporate legal department, regardless of the size of the department or the company itself. If there is just a single lawyer in the legal department, he or she must develop a basic LRM initiative that takes into account the dearth of time and other resources available.

Legal Solutions

an appellate brief, but it can produce disasters while managing a law firm. At a partnership meeting, most lawyers will be better at raising issues than at resolving them. They will not be happy until they have dissected every aspect of the situation, raised every

Note: If you are purchasing an electronic version, MyBusLawLab does not come automatically packaged with it. Managing the Law: The Legal Aspects of Doing Business aims to equip students with the conceptual tools and intellectual skills to

identify, assess, and manage the legal risks that arise in the course of doing business. We aim to help students learn how "to think like successful business people."

Appropriate for students who are studying the legal aspects of various areas of business, including accounting, business administration, commerce, finance, management, marketing, and office administration. The aim of this text is to teach students how to "think like lawyers." *Managing the Law: The Legal Aspects of Doing Business, Third Edition* offers a modern and contemporary resource for Business Law courses. The key concept, risk management, is emphasized throughout the text and provides a very strong business approach necessary for this course.

Note: You are purchasing a standalone product; MyBusLawLab does not come packaged with this content. Students, if interested in purchasing this title with MyEconLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. *Managing the Law: The Legal Aspects of Doing Business* aims to equip students with the conceptual tools and intellectual skills to identify, assess, and manage the legal risks that arise in the course of doing business. We aim to help students learn how "to think like successful business people." *Managing the Law: The Legal Aspects of Doing Business* provides a thorough and current picture of the legal rules that are relevant in the business world. It does not sacrifice important information for the sake of simplicity. At the same time, however, it does not overwhelm the business student with unnecessary detail or impenetrable jargon. The tone is intelligent and student-friendly. The text is accessible and comprehensible, regardless of the reader's background. If you would like to purchase both the physical text and MyBusLawLab, search for: 0134717244 / 9780134717241 *Managing the Law: The Legal Aspects of Doing Business Plus MyBusLawLab -- Access Card Package* Package consists of: 0133847152 / 9780133847154 *Managing the Law: The Legal Aspects of Doing Business* 0134715780 / 9780134715780 Generic MyBusLawLab -- Standalone Access Card

The last ten years have been a period of extraordinary change for law firms. The rapid growth of corporate law firms and the emergence of global mega-firms have strained the traditional partnership model of management. Some managers of law firms are appalled at the creeping 'corporatism' that they fear may result. However a growing number believe that it is time to move on and adopt more contemporary forms of structure and management. In *Managing the Modern Law Firm* scholars and legal practitioners examine the latest insights from management research, to enable law firms successfully to meet the challenges of this new business environment.

*Hospitality Law: Managing Legal Issues in the Hospitality Industry, Fifth Edition* takes an applied approach to the study of hospitality law with its touchstone of compliance and prevention. The book is highly pedagogical and includes many interactive exercises and real world cases that help students focus on the practical

application of hospitality laws and model their decision process to avoid liability. As a result, this book does look different than others on the market as the legal information contained is carefully selected to specifically correlate with helping students understand how to do the right thing, i.e., it is not a comprehensive book on the laws. Barth immediately helps readers learn about the legalities of situations and work through exercises – both individually and in groups -- to effectively apply them to hospitality management situations. Many instructors teach their course from a very applied perspective, which aligns with Barth ' s approach.

"A comprehensive and updated discussion of the legal questions faced by museums as they acquire, use, and refine their collections"--
