A multiple-choice

File Type PDF Multiple Choice

A multiple choice question is a type of questionnaire/survey question that provides respondents with multiple answer options.

Sometimes called objective response questions, it requires respondents to select only correct answers from the choice options.

MCQs are mostly used in educational testing, customer reviews,

If a single-answer multiple choice question asks "What is your favorite pizza topping?"

a multiple-answer multiple choice question might ask "Which of the following pizza toppings do you like?"

Here, respondents can check off all the choices that apply to them instead of being forced to pick just one.
