Haynes has all the routine  
maintenance answers. Modern  
cars like the Peugeot 206 need  
much less maintenance than the  
vehicles of 25 years ago, but they  
still have needs. You no longer  
have to do a service every 6  
months or change the oil every 3  
months, but regular fluid changes  
are still essential to your Peugeot  
206's longevity.
