Bring the Flavor of Vietnam to Your Kitchen Salty, sweet, bitter, sour, and spicy: these are the flavorful tenets of Vietnamese cuisine. This exhilarating culinary culture is rich but light, deeply flavorful but made with simple ingredients, and filling while also easy to prepare. That’s the message that authors Van Tran and Anh Vu wanted to bring to a hungry crowd when they opened their banh mi stall in London, an international city that surprisingly lacked the tastes of the authors’ childhoods in Hanoi. As their business expanded, The Vietnamese Market Cookbook followed. The recipes are simpler than you might think but explode with the purest flavors of vegetables, seafood, lean meats, spices, chiles, and treasured Vietnamese condiments like fish sauce. Old and new favorites collide: Asparagus and Crabmeat Soup, Papaya Salad with Crispy Anchovies, Claypot Chicken with Ginger, Sea Bass Carpaccio, Kumquat Jasmine Iced Tea, and Crème Caramel. From chapters like “Sweetness and Happiness” to “Spiciness and Adventure” and “Saltiness and Healing,” this lusciously filling book will bring a little bit of Vietnam into your home.

An intimate collection of more than 175 of the finest Vietnamese recipes. When author Andrea Nguyen’s family was airlifted out of Saigon in 1975, one of the few belongings that her mother hurriedly packed for the journey was her small orange notebook of recipes. Thirty years later, Nguyen has written her own intimate collection of recipes, Into the Vietnamese Kitchen, an ambitious debut cookbook that chronicles the food traditions of her native country. Robustly flavored yet delicate, sophisticated yet simple, the recipes include steamy pho noodle soups infused with the aromas of fresh herbs and lime; rich clay-pot preparations of catfish, chicken, and pork; classic bánh mì sandwiches; and an array of Vietnamese charcuterie. Nguyen helps readers shop for essential ingredients, master core cooking techniques, and prepare and serve satisfying meals, whether for two on a weeknight or 12 on a weekend.
