The Secrets of the Self is a book-length, philosophical poem rooted in metaphysical thought and ideology, as well as Islamic theology. Originally published in 1915, the poem speaks of the "Self" in relation to the universe, how it is the inner power and soul of each individual human. It instructs on how to improve the

Online Library Secrets Of The Self Made Millionaires

Self through Love and willpower, which can then help one control the forces within the universe.

The poem includes stories that illustrate its points and promotes the spread of Islamic ideals.

MUHAMMAD IQBAL (1877-1938)

was a poet, prophet, and politician in British India. Born in Sialkot, Punjab, Iqbal converted to Islam with his family as a child. He studied literature and law at Cambridge, Munich, and Heidelberg before starting his own law practice and concentrating on his scholarly writing, which he authored primarily in Persian. Many of Iqbal's works promote Islamic revival, especially in South Asia, and he was a well-known leader of the All India Muslim League.

A journalist's provocative and spellbinding account of her eighteen months spent disguised as a man. Norah Vincent became an instant media sensation with the publication of *Self-Made Man*, her take on just how hard it is to be a man, even in a man's world. Following in the tradition of John Howard Griffin (*Black Like Me*), Vincent spent a year and a half disguised as her male alter ego, Ned, exploring what men are like when women aren't around. As Ned, she joined a bowling team, took a high-octane sales job, went on dates with women (and men), visited strip clubs, and even managed to infiltrate a monastery and a men's therapy group. Allama Mohammad Iqbal, whom Sarojini Naidu called the 'Poet laureate of Asia', remains a controversial figure in the history of the Indian subcontinent. On the one hand, he is considered the 'Spiritual Father of Pakistan'. On the other, his message of Eastern revivalism places him in the ranks of the twentieth century's major intellectuals. Iqbal's tragedy was that after his death, he was made the national poet of Pakistan and largely ignored in India. In his time, he was lauded as much as Tagore, but today India celebrates Tagore while Iqbal has been banished from her

Online Library Secrets Of The Self Made Millionaires

consciousness. This meticulously researched biography will redress that erasure. This is the story of Iqbal's evolution as a poet, philosopher and politician. While his role in the struggle for India's freedom and the Pakistan movement are well known, not much is known about his personal life. This book highlights some of the least known facets of the poet's life: how did a nationalist poet transform into a poet of Islamic revivalism and global revolution? How did three years in Europe change Iqbal's political and philosophical outlook? Why did he start writing in Persian during his stay in Europe? Why did his first marriage fail and how did his romantic relationships affect him? What exactly was the

Online Library Secrets Of The Self Made Millionaires

poet's role in bringing about Partition? Written with the passion of an ardent devotee, Zafar Anjum's Iqbal answers all of these questions—and many more—in this carefully told biography.
