Song of the Vikings: Snorri and the Making of Norse Myths ...
Song of the Vikings: Snorri and the Making of Norse Myths. Much like Greek and Roman mythology, Norse myths are still with us. Famous storytellers from JRR Tolkien to Neil Gaiman have drawn their inspiration from the long-haired, mead-drinking, marauding and pillaging Vikings.

Song of the Vikings: Snorri and the Making of Norse Myths ...
Song of the Vikings: Snorri and the Making of Norse Myths is, in my opinion, absolutely essential for any student of Norse lore and mythology. Whether the reader is a heathen, scholar, student, or just an avid lover of history as it relates to literature this book will make an excellent addition to any personal library for it's detailed account of the man who wrote the younger Edda, known as Snorri's Edda.

drawn their inspiration from the long-haired, mead-drinking, marauding and pillaging Vikings. Their creator is a thirteenth-century Icelandic chieftain by the name of Snorri Sturluson. Like Homer, Snorri was a bard, writing down and embellishing the folklore and pagan legends of medieval Scandinavia. Unlike Homer, Snorri was a man of the world—a wily political power player, one of the richest men in Iceland who came close to ruling it, and even closer to betraying it... In *Song of the Vikings*, award-winning author Nancy Marie Brown brings Snorri Sturluson's story to life in a richly textured narrative that draws on newly available sources.

A richly imagined journey to the Viking world that created the Lewis chessmen—"the most important chess pieces in history." -New York Times

Offers a dramatic reconstruction of the life and times of Gudrid, a Viking woman who, according to Icelandic sagas, arrived in the New World, spent three years there, and gave birth to a baby, before sailing home some five hundred years before Columbus, drawing on the latest archaeological data, scientific research, and cutting-edge technology to trace her odyssey. Reprint.

Swords of Good Men--the first volume Snorri Kristjansson's *Víðhallar Saga*--in is a raucous and gripping fantasy adventure set in Viking Norway, where plundering and pillaging are a way of life and creature comforts rarely exceed a mug of sour mead. To weary Viking Ulfar Thormodsson, the town of Stenvik is the penultimate stop on what has been a long and perilous journey. It has been particularly challenging for Thormodsson, who has been charged with protecting the life of his high-born cousin. Having travelled the world for two years, all he wants is to go home--but Stenvik awaits. After coming ashore, Thormodsson meets the beautiful and tragic Lilja, who immediately captures his heart. Stenvik is also home to

solitary blacksmith Audun Arngrimsson, whose past hides many dark secrets. Soon, the conflict brewing between two factions of dangerous and determined men of the town threatens to sweep all of them, natives and visitors alike, into the jaws of war. As the Vikings learn, King Olav is marching on Stenvik from the east, determined to bring the White Christ to the masses at the point of his sword - even as a host of bloodthirsty raiders led by a mysterious woman sails from the north. Thormodsson and his companions will soon learn that in this conflict between the Old Gods and the new, there are enemies everywhere - outside the walls of Stenvik as well as within. Swords of Good Men features a memorable cast of original characters and is driven by non-stop action and a clever sense of humor. Kristjansson deftly and elegantly weaves Norse mythology and history with fantasy in a novel that offers not only a good dose of bloody Viking feuding, but intrigue and romance.

Can enemy warriors become your friends? A story of adventure in a new land When Vikings raid and destroy a small coastal village, Hekja and her dog, Snarf, are captured and taken to Greenland. In this harsh and cold land, Hekja becomes a thrall - a slave - to Freydis Eriksdottir, daughter of the infamous Erik the Red. Hekja's fiery determination earns her the respect of her mistress. But Hekja's journey was just the beginning, as she and Snarf and other colonists join their leader, Freydis, on a voyage to Vinland to establish a new settlement where more perilous adventures await them... Ages 10-14

After several visits to study Icelandic sagas, Nancy Brown returns to Iceland to search for the perfect Icelandic horse, one she can bring back to her Pennsylvania farm and make her own. To do so, she must become part of the country's tightly knit horse-breeding community, which can be wary of outsiders and extremely

protective of the world-famous breed. In this clear-eyed, evocative account set against Iceland's austere and majestic landscape, she describes what makes Icelandic horses and their owners so distinctive. She also discovers her limitations as a horsewoman and learns much about what she is looking for-in a horse and in her life.

Laughing Shall I Die explores the Viking fascination with scenes of heroic death. The literature of the Vikings is dominated by famous last stands, famous last words, death songs, and defiant gestures, all presented with grim humor. Much of this mindset is markedly alien to modern sentiment, and academics have accordingly shunned it. And yet, it is this same worldview that has always powered the popular public image of the Vikings—with their berserkers, valkyries, and cults of Valhalla and Ragnarok—and has also been surprisingly corroborated by archaeological discoveries such as the Ridgeway massacre site in Dorset. Was it this mindset that powered the sudden eruption of the Vikings onto the European scene? Was it a belief in heroic death that made them so lastingly successful against so many bellicose opponents? Weighing the evidence of sagas and poems against the accounts of the Vikings' victims, Tom Shippey considers these questions as he plumbs the complexities of Viking psychology. Along the way, he recounts many of the great bravura scenes of Old Norse literature, including the Fall of the House of the Skjoldungs, the clash between the two great longships Ironbeard and Long Serpent, and the death of Thormod the skald. One of the most exciting books on Vikings for a generation, Laughing Shall I Die presents Vikings for what they were: not peaceful explorers and traders, but warriors, marauders, and storytellers.

"Discover Norse mythology through the enthralling exploits of all-powerful Odin, mighty Thor, and the trickster Loki."--Front jacket flap.

Gideon Coxall was a good soldier but bad at everything else, until a roadside explosive device leaves him with one deaf ear and a British Army half-pension. So when he hears about the Valhalla Project, it's like a dream come true. They're recruiting former service personnel for excellent pay, no questions asked, to take part in unspecified combat operations. The last thing Gid expects is to find himself fighting alongside ancient Viking gods. The world is in the grip of one of the worst winters it has ever known, and Ragnarok – the fabled final conflict of the Sagas – is looming.
