Willow I've always felt incomplete. It could simply be those two years I lost after my fall, but I'm certain it's more than that. I always feel as if I'm missing something important. And the niggling feeling won't go away no matter what I do. In fact, the older I get, the worse it becomes. My friends think I should get over myself. Go to a bar and sleep with a hot stranger. But I can't. My soul won't let me. Even when I'm so drunk the whole room is spinning I can't go home with a hot stranger, because a little voice in my head whispers, Wait Willow. Wait. So I waited... And one day the mysterious Caleb Wolff breezes into my life. He is tall and broad, with steely blue eyes, and full sensual lips. He captivates me, and awakens all the desires I'd put on hold. It's the strangest thing, but everything about him, his smell, his taste seems almost... familiar to me. The little voice in my head stops telling me to wait. When I am with him I no longer feel as if I'm missing something, but then I look into his veiled eyes and I know he is hiding something. A secret. Something terrible. I just want the truth. Whatever it may be. But do I dare dig deeper and risk destroying this beautiful thing of ours? A Heartfelt Emotional Standalone Story That Will Have You Anticipating The Turn Of Every Page.
