This best-selling guide to the Catholic faith has been revised and cross-referenced to the Catechism of the Catholic Church and follows the four main divisions of the Catechism (Belief, Worship, Christian Life, and Prayer). Father Oscar Lukefahr, an expert on Catholic theology, provides an overview of the Catholic faith in an easy-to-understand format that touches on the important elements of belief and practice.Catholics and non-Catholics alike can learn how to be more faithful to Christ: in thinking about the meaning of life, in loving God and neighbor, and in experiencing life as a precious and wonderful gift from God.

What do Christians believe about God the Father, Jesus Christ, the church, salvation, eternal life, and more? This contemporary classic from theologian R. C. Sproul provides a matchless introduction to the basics of the Christian faith.

(© 2012) This textbook has been found in conformity with the Catechism of the Catholic Church.Our Catholic Faith: Living What We Believe offers a general overview of the Catholic faith as outlined by the four pillars of the Catechism of the Catholic Church and is designed for use in an introductory Catholic high school theology course. Students are challenged to accept Jesus, commit themselves to him through the Church, and to live lives of loving service.

The presence of the Catholic Church in the United States reaches back to the founding days of our country through the leadership of Archbishop John Carroll, the first Catholic bishop in the United States. His story like the stories at the start of each chapter in the United States Catholic Catechism for Adults give us a glimpse into the lives of Catholics who lived out their faith throughout our country's history. Each chapter in the Catechism for Adults includes stories, doctrine, reflection, quotations, discussion questions, and prayer to lead the reader to a deepening faith. The Catechism for Adults is an excellent resource for preparation of catechumens in the Rite of Christian Initiation of Adults and for ongoing catechesis of adults.

Introduces young readers to Catholic beliefs as expressed in the Catechism of the Catholic Church.

Hans Kung is one of the most celebrated theologians of the present day. His audience, which is strong within his own Roman Catholic Church, is equally solid among Christians of other denominations, among those outside the churches and indeed among those at the frontiers of organised religion. From the start, he has been a rebel, being Swiss and a lover of personal freedom. Many of his books such as *Infallible?* and *On Being a Christian* have rocked the Papal boat. Now after publishing two magnificent and acclaimed volumes of memoirs, Kung has written a much shorter and more personal book to explain his own beliefs. If one sets aside all scientific knowledge and learning, all formal theological language and the skilful construction of theories, what remains as the core of faith? What do we need for our lives? What is indispensable to us? Kung writes of trust in life, joy in life and suffering in life and in so doing gives us a summa of his own faith - and life.

This newly repackaged edition examines the lies people tell themselves that damage emotional health, relationships, and spiritual life. Psychologist Dr. Chris Thurman guides the reader through part one that identifies the different areas of self-lies, religious lies, marital lies, distortion lies, and worldly lies. Part Two delves into the issues of what is truth, and Part Three deals with how to live the truth, ultimately revealing the freedom that can only come from one thing- believing and telling themselves the truth. An extremely easy-to-follow guide filled with comprehensive workbook exercises, this edition is a way to help people experience the emotional health, intimate relationships, and spiritual fulfillment they are seeking.
