Buy Study Guide. At the time of its release, Dunkirk was praised as one of the best films about World War II ever made. It was added to a long list of films about the war, and was praised for its realism, its simple depiction of heroism and sacrifice, and its artful visual effects. Christopher Nolan chose to focus on a very specific part of the war and even said, "I didn't view this as a war film, I viewed it as a survival story."

Arsenal of Democracy. The US entrance into WWII ended the Depression since the US quickly became, in the words of President FDR, the Arsenal of Democracy as it turned its production capacity toward making war matériel. This production supplied both the US military and its allies like the UK, China, and USSR. Facing a labor shortage because of the 15 million men and women in the armed services, unemployment virtually disappeared during the war.
