and musical performance. The book features information on both the audio theory involved and the practical applications of that theory, explaining everything from microphones to loudspeakers. This revised edition features almost 40 new pages and is even easier to follow with the addition of an index and a simplified page and chapter numbering system. New topics covered include: MIDI, Synchronization, and an Appendix on Logarithms. 416 Pages.

In this volume, which contains six suites and seven supplementary pieces for intermediate to advanced level pianists, Judith Schneider has provided detailed biographical and historical information about the pieces, as well as suggestions to achieve a proper interpretation of these works. Bach's table of ornaments is also discussed. This volume beautifully prepares students to perform Bach's more advanced English Suites.

More than 3-million adult students have learned to play the piano using this well-sequenced course. Perfect for beginners who prefer a chord approach, students learn how to play chords in either hand in order to move beyond simply playing single note melodies. The course contains outstanding songs such as "The Entertainer," "Scarborough Fair," "Greensleeves" and "Amazing Grace."

Raindrops on roses and whiskers on kittens, Bright copper kettles and warm woolen mittens... "My Favorite Things," Rodgers and Hammerstein's beloved song from *The Sound of Music*, has captured the hearts of children young and old for generations. Its magical images -- cream-colored ponies and girls in white dresses -- paired with its lilting rhyme, never fail to delight. Now acclaimed illustrator Renee Graef gives this classic song new meaning with heartwarming full-color illustrations of a loving family and their life throughout the course of a year. Complete with the score of the song, *My Favorite Things* is both a wonderful book for families to share and a gorgeous keepsake to cherish.

This method begins with a review of the concepts presented in Level 2, then introduces new pieces and lessons in new keys to prepare the student for more advanced studies. Includes a "Just for Fun" section and an "Ambitious" section for the student who will devote a little extra effort toward learning some of the great masterworks that require additional practice.
